

Updates to Chumba Casino Terms

T&Cs Version: 24.0

Sweeps Rules Version: 24.0

Privacy Policy Version: 8.0

Date of Update: June 16, 2026

We've updated our T&Cs, Sweeps Rules and Privacy Policy (the "**Terms**").

A short summary of the material changes is set out below:

T&Cs:

- We have included additional formats (only applicable if and when offered/supported by us) where players can access the Games, and made the necessary updates to corresponding clauses.
- We have clarified the procedure relating to the informal resolution period in clause 24.1.

Sweeps Rules:

- We have included additional formats (only applicable if and when offered/supported by us) where players can access the Games, and made the necessary updates to corresponding clauses.

Privacy Policy:

- We have made Chumba Casino available as an App downloadable via the Apple App Store directly on smartphones, tablets or any compatible mobile device.
- We have amended the reference to Chumba Casino as a 'Platform', to include the App version of Chumba Casino as well as the website, browser, subpage or any other application that provides access to Chumba Casino.
- We have enabled services provided by Apple, such as the Apple Account Sign-In, the downloadable App through Apple's iOS App Store, in-app purchase through the Apple iOS App Store, Apple Face ID and Apple Touch ID. For more information, please refer to section 7.10 of the Privacy Policy.
- We have included the right for you to access, download and delete your information from your use of the Chumba Casino App in accordance with Apple's policies. For more information, please refer to section 8.4 of the Privacy Policy.

The updates to the Terms include other changes and further details regarding the above items, so you should read them in full here: [T&Cs](#), [Sweeps Rules](#) and [Privacy Policy](#).

If you have any questions about the updates, please contact Customer Support via this [form](#).
